

GAS EXTENDED WARRANTY PROTECTION

When purchasing a new commercial truck, the long-term, trouble-free operation of your vehicle is certainly a consideration in your decision. Isuzu further enhances the long-term operation of your new gas truck with Extended Warranty coverage plans.

GAS EXTENDED WARRANTY COVERAGE

Isuzu's gas Extended Warranty coverage automatically continues upon the expiration of the standard New Truck Limited Warranty. You can choose for a gas Extended Warranty term up to 60-months or 125,000 miles. The gas Extended Warranty coverage includes program parts for manufacturer defects and installation labor during the contract coverage period. See your authorized Isuzu dealer for complete details.

ELIGIBLE ISUZU GAS VEHICLES

Isuzu's gas Extended Warranty coverage is available on all new/unused N-Series gas trucks. Extended Warranty coverage may be purchased through your selling authorized Isuzu dealer at the time of sale or within the first 12 months of ownership.

TOWING COVERAGE

Our program also provides 24-hour emergency Roadside Assistance, including towing to the nearest dealer for no additional cost.

ROADSIDE ASSISTANCE

Isuzu trucks are built to be the highest quality, most reliable trucks in the industry. That's why we back them with one of the strongest roadside assistance programs ever offered for medium-duty trucks.

With any Isuzu vehicle warranty, if your Isuzu truck experiences a mechanical breakdown anywhere in the United States, just call our 24-hour, toll-free number 866-441-9659 anytime day or night, 365 days a year. A service vehicle will be dispatched to provide minor roadside repairs or tow your truck to the nearest dealer for service.
